AIG Warranty and Service Programs

Why AIG

Superior Service and Technology	Multinational Expertise	Strategic Partnerships
<p>ISSUE: A retailer's home warranty program was faltering because of its inability to service customers with high quality and timely in-home service.</p> <p>SOLUTION: The retailer outsourced its home warranty program to AIG, which implemented its best-in-class CRM platform and expansive service network to support the new client effectively.</p> <p>BENEFIT: Since outsourcing their business to AIG, the retailer has dramatically increased customer service levels, reduced service costs, and grown their business more than 5% annually.</p>	<p>ISSUE: A manufacturer had separate extended warranty programs in 20 countries with different providers. This adversely affected brand image due to inconsistent service and cumbersome management.</p> <p>SOLUTION: AIG implemented its global warranty platform, consolidating the manufacturer's warranty programs into one unified program, which included account management, underwriting, billing, collections and global reporting.</p> <p>BENEFIT: Since inception, AIG's global platform has helped the manufacturer's program grow 5x larger with superior customer service due to streamlined global account management and expertise.</p>	<p>ISSUE: A national retailer was looking for innovative ways to grow their traditional warranty business due to stagnant sales.</p> <p>SOLUTION: AIG introduced new service branding, products, and monthly programs aligned with the retailer's mission. This included strategic placement of online offerings, store associate training, price optimization, and a dedicated support line for store personnel.</p> <p>BENEFIT: This innovative approach led to a 237% growth in U.S. sales for the client over a 3-year period.</p>
<p>WHY IS THIS IMPORTANT? AIG's network, technology, and services enabled improved customer service and business growth.</p>	<p>WHY IS THIS IMPORTANT? AIG Warranty enables clients' global growth through streamlined, improved customer service management.</p>	<p>WHY IS THIS IMPORTANT? AIG provides fresh thinking and approaches that help enable clients grow their business.</p>

What is Warranty and Service Programs?

A long-term strategic partner to some of the world's largest and most respected brands, AIG creates innovative warranty solutions that align with our clients' brands while creating strong customer loyalty.

AIG provides comprehensive extended warranty, device protection insurance, and related services for **OEM, retailers, home warranty, and HVAC** dealers and distributors. Through its knowledge and expertise in serving clients, AIG has created an unparalleled suite of warranty products and services.

We support clients with state-of-the art claim management and customer service systems, and the most extensive and comprehensive

network of service providers for in-home, depot, or advanced-exchange product repair or replacement services. Convenient and low-cost integration is achieved through a unified platform and single integration point with best-in-class vendors and system flexibility.

With its global reach and understanding of local regulatory requirements, AIG serves multinational clients that need global capabilities — credit card issuers, affinity providers, utilities, financial institutions, commercial clients, and homeowners. And with price optimization, training, new and improved distribution channels, and new product offerings, AIG helps clients significantly grow their business.

The scenarios described herein are offered only as examples. Coverage depends on the actual facts of each case and the terms, conditions and exclusions of each individual policy. Anyone interested in the above product(s) should request a copy of the standard form of policy for a description of the scope and limitations of coverage.

AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
